

# Motion

Define each word and draw a simple sketch to illustrate each concept. Pg. 162-163 in Octopus Book.

Illustration

1- amplitude

2- complex machines

3- conduction

4- convection

5- crest

6- energy

7- force

8- frequency

9- friction

10- gravity

11- hertz

12- inclined plane

13- kinetic energy

14- lever

15- medium

16- potential energy

17- radiation

18- screw

19- simple machine

20- trough
